PHILADELPHIA, PA, November 9, 2017 — Brandywine Realty Trust (the “Company”) (NYSE:BDN) announced today that its operating partnership, Brandywine Operating Partnership, L.P. (the “Operating Partnership”), has priced the underwritten public offering of \$100.0 million of its 3.950% guaranteed notes due 2023 (the “2023 Notes”) and \$450.0 million of its 3.950% guaranteed notes due 2027 (the “2027 Notes” and, together with the 2023 Notes, the “Notes”). The 2027 Notes are being offered to investors at a price of 99.250% of their principal amount. The 2023 Notes will become part of the same series as the Operating Partnership’s outstanding 3.950% guaranteed notes due 2023, \$250.0 million of which were originally issued on December 18, 2012, for all purposes. The sale of the Notes is expected to close on November 17, 2017, subject to customary closing conditions.

The net proceeds of the offering, after deducting underwriting discounts and estimated transaction expenses related to this offering, are expected to be approximately \$544.5 million. The Operating Partnership intends to use the net proceeds of the offering to fund the Operating Partnership’s previously announced tender offer for any and all of the \$325 million in outstanding principal amount of its 4.95% guaranteed notes due April 15, 2018 and any applicable redemption of these notes, and to repay amounts outstanding under the Company’s unsecured revolving credit facility. Any remaining net proceeds of the offering will be used for general corporate purposes, which may include the repayment, repurchase or other retirement of other indebtedness. With the pricing of the offering of the Notes, the condition to the tender offer relating to the pricing of the note offering has been satisfied.
