Dear Mr. Howard M. Sipzner:

We have reviewed your response letters dated July 17, 2009 and November 6, 2009 and have the following additional comments. If you disagree, we will consider your explanation as to why our comment is inapplicable. Provide to us the information requested if indicated and please be as detailed as necessary in your explanation.

FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2008

Financial Statements and Notes

Note 16 – Tax Credit Transactions, pages F-84 – F-85

1. We have read and considered your responses in relation to our comments regarding the accounting of your tax credit monetization arrangements. We note that you intend to recognize the cash received in these arrangements as income either at the end of the recapture period or as the recapture period expires. We believe the cash received for both the Historic Tax Credit and the New Market Tax Credit should not be recognized into income until the related put or call is exercised. Please confirm to whether you plan to revise your policy and disclosures accordingly.
