## **Item 1.01 Entry into a Material Definitive Agreement.**

On December 12, 2012, Brandywine Realty Trust, a Maryland real estate investment trust (the “Company”), and its operating partnership, Brandywine Operating Partnership, L.P., a Delaware limited partnership (the “Operating Partnership”), entered into an Underwriting Agreement and a related Pricing Agreement with J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, and RBS Securities Inc., as representatives of the several underwriters named in the Pricing Agreement (the “Underwriters”), in connection with the public offering by the Operating Partnership of \$250 million aggregate principal amount of the Operating Partnership’s 3.950% Guaranteed Notes Due 2023 (the “Notes”). The Company has fully and unconditionally guaranteed the payment of principal of and interest on the Notes. The offering is expected to close on December 18, 2012, subject to customary closing conditions. Under the terms of the Underwriting Agreement, the Company and the Operating Partnership have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”), or to contribute payments that the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement contains customary representations and covenants. The offer and sale of the Notes were registered with the Securities and Exchange Commission (the “Commission”) pursuant to a registration statement on Form S-3 (File No. 333-174700) (as the same may be amended and/or supplemented, the “Registration Statement”), under the Securities Act.

Copies of each of the Underwriting Agreement and the Pricing Agreement are filed as Exhibit 1.1 and Exhibit 1.2, respectively, to this Current Report on Form 8-K and the information in the Underwriting Agreement and the Pricing Agreement is incorporated into this Item 1.01 by this reference.

The Operating Partnership intends to use the net proceeds from this offering to fund tender offers for \$216.8 million outstanding principal amount of its 7.5% Guaranteed Notes due May 15, 2015 (the “2015 Notes”) and \$250.0 million outstanding principal amount of its 6.0% Guaranteed Notes due April 1, 2016 (the “2016 Notes”). Any net proceeds not used to fund the tender offers will be used for general corporate purposes, which may include the repayment, repurchase or other retirement of other indebtedness. Affiliates of certain of the Underwriters and of the trustee under the indenture for the notes are holders of the 2015 Notes or 2016 Notes or act as lenders and/or agents under the unsecured bank term loans and credit facility of the Company and the Operating Partnership and those affiliates therefore may receive a portion of the proceeds from the offering of the Notes.

The Notes will be issued under the Indenture, dated as of October 22, 2004 (the “Indenture”), as supplemented by the First Supplemental Indenture dated as of May 25, 2005 (the “First Supplemental Indenture”) and the Third Supplemental Indenture dated as of April 5, 2011 (the “Third Supplemental Indenture”), among the Company, the Operating Partnership and The Bank of New York, as trustee. The Indenture previously was filed with the Commission on October 22, 2004, as Exhibit 4.1 to the Company’s Current Report on Form 8-K and is incorporated into this Item 1.01 by this reference. The First Supplemental Indenture previously was filed with the Commission on May 26, 2005, as Exhibit 4.1 to the Company’s Current Report on Form 8-K and is incorporated into this Item 1.01 by this reference. The Third Supplemental Indenture previously was filed with the Commission on April 5, 2011, as Exhibit 4.1 to the Company’s Current Report on Form 8-K and is incorporated into this Item 1.01 by this reference.

DEBT SECURITIES

GUARANTEED BY

BRANDYWINE REALTY TRUST

UNDERWRITING AGREEMENT

December 12, 2012

To the Representatives of the  
several Underwriters named in the  
respective Pricing Agreements  
hereinafter described

Ladies and Gentlemen:

From time to time Brandywine Operating Partnership, L.P., a Delaware limited partnership (the "Operating Partnership"), may enter into one or more Pricing Agreements (each a "Pricing Agreement") in the form of Annex I hereto, with such additions and deletions as the parties thereto may determine, and, subject to the terms and conditions stated herein and therein, to issue and sell to the firms named in Schedule I to the applicable Pricing Agreement (such firms constituting the "Underwriters" with respect to such Pricing Agreement and the securities specified therein) certain of its debt securities (the "Securities") specified in Schedule II to such Pricing Agreement (with respect to such Pricing Agreement, the "Designated Securities"). The Securities will be unconditionally guaranteed (the "Guarantee") by Brandywine Realty Trust, a Maryland real estate investment trust and the sole general partner and a limited partner of the Operating Partnership (the "Parent Guarantor").

The terms and conditions of any particular issuance of Designated Securities will be as specified in the Pricing Agreement relating thereto and in or pursuant to the Indenture, dated as of October 22, 2004, as amended and supplemented (the "Indenture"), among the Operating Partnership, the Parent Guarantor and The Bank of New York Mellon, as trustee (the "Trustee").

1. Introduction. Particular sales of Designated Securities may be made from time to time to the Underwriters of such Designated Securities, for which the firms designated as representatives of the Underwriters of such Designated Securities in the Pricing Agreement relating thereto will act as representatives (the "Representatives"). The term "Representatives" also refers to a single firm acting as sole representative of the Underwriters and to an Underwriter or Underwriters who act without any firm being designated as its or their

representatives. This Underwriting Agreement (the "Agreement") shall not be construed as an obligation of the Operating Partnership to offer, issue or sell any of the Securities or as an obligation of any of the Underwriters to purchase the Securities. The obligation of the Operating Partnership to issue and sell any of the Securities and the obligation of any of the Underwriters to purchase any of the Securities will be evidenced by the Pricing Agreement with respect to the Designated Securities specified therein. Each Pricing Agreement will, among other things, specify the aggregate principal amount of such Designated Securities, the initial public offering price of such Designated Securities, the purchase price to the Underwriters of such Designated Securities, the names of the Underwriters of such Designated Securities, the names of the Representatives of such Underwriters and the principal amount of such Designated Securities to be purchased by each Underwriter and will set forth the date, time and manner of delivery of such Designated Securities and payment therefor. The Pricing Agreement will also specify (to the extent not set forth in the Indenture and registration statement and prospectus with respect thereto) the terms and conditions of such Designated Securities. The Pricing Agreement will be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of facsimile communications or any other rapid transmission device designed to produce a written record of communications transmitted. The obligations of the Underwriters under this Agreement and each Pricing Agreement will be several and not joint.

2. Representations, Warranties and Agreements of the Operating Partnership and the Parent Guarantor. The Operating Partnership and the Parent Guarantor, jointly and severally, represent and warrant to, and agree with, each of the Underwriters as follows:

(a) A registration statement on Form S-3 (File No. 333-174700) in respect of the Securities and the Guarantee has been (i) prepared by the Operating Partnership and the Parent Guarantor in conformity with the requirements of the Securities Act of 1933, as amended (the "Securities Act"), and the rules and regulations of the Securities and Exchange Commission (the "Commission") thereunder, and (ii) filed with the Commission under the Securities Act and declared effective by the Commission; no stop order suspending the effectiveness of the registration statement or any post-effective amendment thereto has been issued, and no proceeding for that purpose or pursuant to Section 8A of the Securities Act has been initiated or threatened by the Commission; and the Operating Partnership and the Parent Guarantor propose to file with the Commission pursuant to Rule 424(b) under the Securities Act ("Rule 424(b)") a prospectus supplement to the form of prospectus included in such registration statement and have previously advised you of all information (financial and other) with respect to the Operating Partnership and the Parent Guarantor to be set forth therein. The various parts of the registration statement referred to above, each as amended at the time such part of such registration statement was declared effective, including the exhibits thereto, any prospectus supplement relating to the Designated Securities that is filed with the Commission and deemed by virtue of Rule 430A, 430B or 430C under the Securities Act to be a part of such registration statement at the relevant time of effectiveness and the documents incorporated or deemed to be incorporated therein by reference pursuant to Item 12 of Form S-3 (the "Incorporated Documents"), but excluding the statement of eligibility and qualification on Form T-1, is hereinafter referred to, collectively, as the "Registration Statement". The prospectus contained in the Registration Statement in the form in which it has most recently been filed with the Commission on or prior to the date of this Agreement is hereinafter referred to as the "Base Prospectus". The Base Prospectus, as supplemented by the preliminary prospectus supplement relating to the Designated Securities, in

the form filed pursuant to Rule 424(b), is hereinafter referred to as the “Preliminary Prospectus”; and the Base Prospectus, as supplemented by the final prospectus supplement relating to the Designated Securities, in the form filed with the Commission pursuant to Rule 424(b), is hereinafter referred to as the “Prospectus”. If the Operating Partnership files an abbreviated registration statement to register additional Securities pursuant to Rule 462(b) under the Securities Act (the “Rule 462 Registration Statement”), then any reference herein to the term “Registration Statement” will be deemed to include such Rule 462 Registration Statement. Any reference herein to the Base Prospectus, the Preliminary Prospectus or the Prospectus will be deemed to refer to and include the Incorporated Documents that were filed under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or the Securities Act, as the case may be, on or before the date of such prospectus, as the case may be; any reference herein to the terms “amendment” or “supplement”, or similar terms, with respect to the Base Prospectus, the Preliminary Prospectus or the Prospectus will be deemed to refer to and include any post-effective amendment to the Registration Statement, any prospectus supplement relating to the Designated Securities filed with the Commission pursuant to Rule 424(b) under the Securities Act and Incorporated Documents under the Exchange Act or the Securities Act, as the case may be, after the issue date of such prospectus and deemed to be incorporated therein by reference; and any reference to any amendment to the Registration Statement will be deemed to include any annual report on Form 10-K of the Operating Partnership or the Parent Guarantor filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the applicable effective date or dates of the Registration Statement that is incorporated by reference in the Registration Statement.

(b) The Incorporated Documents, when they were filed with the Commission or became effective, as the case may be, conformed in all material respects to the requirements of the Exchange Act or the Securities Act, as applicable, and the rules and regulations of the Commission thereunder; none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Registration Statement, the Preliminary Prospectus or Prospectus, when such documents are filed with the Commission or become effective, as the case may be, will conform in all material respects to the requirements of the Exchange Act or the Securities Act, as applicable, and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Registration Statement and the Preliminary Prospectus conform, and the Prospectus and any further amendments or supplements to the Registration Statement, the Preliminary Prospectus or the Prospectus will conform, in all material respects to the requirements of the Securities Act and the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), and the rules and regulations of the Commission thereunder; the Registration Statement and any amendment thereto do not and will not, as of the applicable effective date or dates, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and the Prospectus and any amendment or supplement thereto will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and when any Preliminary Prospectus was first filed with the Commission (whether filed as part of the Registration Statement for the registration of the Designated Securities or any amendment

thereto or pursuant to Rule 424(a) under the Securities Act) and when any amendment thereof or supplement thereto was first filed with the Commission, such Preliminary Prospectus and any amendments thereof and supplements thereto complied in all material respects with the applicable provisions of the Securities Act and the rules and regulations of the Commission thereunder and did not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that the representation and warranty set forth in this Section 2(c) will not apply to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished in writing to the Operating Partnership by an Underwriter of Designated Securities through the Representatives expressly for use in the Preliminary Prospectus or the Prospectus relating to such Designated Securities.

(e) None of the Operating Partnership and the Parent Guarantor (including their agents and representatives, but excluding the Underwriters in their capacity as such) has made, used, prepared, authorized, approved or referred to, nor will prepare, make, use, authorize, approve or refer to, any “written communication” (as defined in Rule 405 under the Securities Act) that constitutes an offer to sell or solicitation of an offer to buy the Designated Securities (each such communication by the Operating Partnership or the Parent Guarantor or its agents or representatives not referred to in clauses (i) and (ii) below, an “Issuer Free Writing Prospectus”) except for (i) the Preliminary Prospectus and the Prospectus, (ii) any document not constituting a prospectus pursuant to Section 2(a) (10)(a) of the Securities Act or Rule 134 under the Securities Act or (iii) the documents specified in Schedule II to the applicable Pricing Agreement or other written communications approved in writing in advance by the Representatives; and each Issuer Free Writing Prospectus complied in all material respects with the requirements of the Securities Act, has been filed in accordance with the Securities Act (as and if required by Rule 433 under the Securities Act) and, when taken together with the Preliminary Prospectus, did not, and at the Time of Delivery will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the representation and

(d) On the date of the applicable Pricing Agreement for such Designated Securities and at the Time of Delivery for such Designated Securities, PricewaterhouseCoopers LLP, the independent registered public accounting firm of the Operating Partnership and the Parent Guarantor, which has audited the financial statements of the Operating Partnership and its consolidated subsidiaries and of the Parent Guarantor and its consolidated subsidiaries, included or incorporated by reference in the Registration Statement, shall have furnished to the Representatives letters, dated the respective dates of delivery, in form and substance satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Preliminary Prospectus and the Prospectus;

(e) (i) The Parent Guarantor and its subsidiaries (including, without limitation, the Operating Partnership), taken as a whole, have not sustained since the date of the latest audited financial statements included or incorporated by reference in the Time of Sale Information and the Prospectus any material loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, except as set forth in the Time of Sale Information and the Prospectus and (ii) since the respective dates as of which information is given in the Registration Statement, the Preliminary Prospectus and the Prospectus (without giving effect to any amendment thereof or supplement thereto subsequent to the date of the Pricing Agreement relating to the Designated Securities), except as set forth in Schedule III to the applicable Pricing Agreement, there has not been any change in the beneficial interests of the Parent Guarantor (other than (x) issuances of beneficial interests (A) pursuant to equity-based awards granted in the ordinary course of business to trustees or employees of the Parent

Guarantor or the Operating Partnership, (B) upon exercise of options and upon conversion or redemption of convertible or redeemable securities, in each case which were outstanding as of the date of the latest audited financial statements included or incorporated by reference in the Time of Sale Information and the Prospectus, and (C) upon the exchange of Operating Partnership interests for beneficial interests in the Parent Guarantor and (y) repurchases of the Parent Guarantor's beneficial interests under the Parent Guarantor's share repurchase program) or in the partnership interests in the Operating Partnership or the capital stock, partnership, membership or beneficial interests of any of its subsidiaries, or any change in the long-term debt of the Parent Guarantor and its subsidiaries (including, without limitation, the Operating Partnership), taken as a whole, or any material adverse change, or any development involving a prospective material adverse change, in or affecting the business, properties, management, results of operations, financial condition or prospects of the Parent Guarantor and its consolidated subsidiaries (including, without limitation, the Operating Partnership), taken as a whole, except as set forth in the Time of Sale Information and the Prospectus (without giving effect to any amendment thereof or supplement thereto subsequent to the date of the Pricing Agreement relating to the Designated Securities), the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities and the Guarantee on the terms and in the manner contemplated in the Time of Sale Information and the Prospectus;

(f) On or after the date of the Pricing Agreement relating to the Designated Securities, (i) no downgrading shall have occurred in the rating accorded the Operating Partnership's debt securities or the Parent Guarantor's debt securities or, if applicable, preferred shares of beneficial interest by any "nationally recognized statistical rating organization", as the term is defined by the Commission for purposes of Rule 436(g)(2) under the Securities Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Operating Partnership's debt securities or the Parent Guarantor's debt securities or preferred shares;

(g) On or after the date of the Pricing Agreement relating to the Designated Securities, there shall not have occurred any of the following: (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange or the over-the-counter market; (ii) trading of any securities issued or guaranteed by the Operating Partnership or the Parent Guarantor shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services; or (iv) there shall have occurred any outbreak or escalation of hostilities or acts of terrorism involving the United States or declaration of national emergency or war by the United States or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or the delivery of the Designated Securities on the terms and in the manner contemplated by this Agreement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus; and

(h) The Operating Partnership and the Parent Guarantor shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated

Securities a certificate or certificates of officers of the Operating Partnership and the Parent Guarantor in such form and executed by such officers of the Operating Partnership and the Parent Guarantor as shall be satisfactory to the Representatives, as to the accuracy of the representations and warranties of the Operating Partnership and the Parent Guarantor herein at and as of such Time of Delivery, as to the performance by the Operating Partnership and the Parent Guarantor of all of its obligations hereunder to be performed at or prior to such Time of Delivery, as to the matters set forth in Sections 8(a), 8(e) and 8(f) hereof and as to such other matters (including, without limitation, with respect to compliance with debt agreements and instruments) as the Representatives may reasonably request.

9. Indemnification and Contribution. (a) The Operating Partnership and the Parent Guarantor, jointly and severally, will indemnify and hold harmless each Underwriter, its directors, officers and employees and each person, if any, who controls any Underwriter within the meaning of the Securities Act or the Exchange Act, and its affiliates, from and against any losses, claims, damages or liabilities, joint or several, or any action in respect thereof to which such Underwriter, director, officer, employee, controlling person or affiliate may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities or actions arise out of or are based upon (i) an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, the Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus and any other prospectus relating to the Designated Securities, or any amendment or supplement thereto, the Time of Sale Information, or any Issuer Free Writing Prospectus or any "issuer information" (as defined in Rule 433 under the Securities Act) filed or required to be filed pursuant to Rule 433(d), or (ii) the omission or alleged omission to state in any preliminary prospectus, the Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus and any other prospectus relating to the Designated Securities, or any amendments or supplements thereto, the Time of Sale Information, or any Issuer Free Writing Prospectus or issuer information (as defined above) a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter and each such director, officer, employee, controlling person and affiliate promptly upon demand for any legal or other expenses reasonably incurred by such Underwriter and each such director, officer, employee, controlling person and affiliate in connection with investigating or defending any such loss, damage, liability, action or claim as such expenses are incurred; *provided, however*, that the Operating Partnership and the Parent Guarantor will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any preliminary prospectus, the Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus and any other prospectus relating to the Designated Securities, or any such amendment or supplement, the Time of Sale Information, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished in writing to the Operating Partnership by any Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus relating to such Designated Securities.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Operating Partnership and the Parent Guarantor and their respective trustees, officers and employees and each person, if any, who controls the Operating Partnership and the Parent Guarantor within the meaning of the Securities Act or Exchange Act against any losses,

claims, damages or liabilities to which the Operating Partnership or the Parent Guarantor or any of their respective trustees, officers and employees or controlling persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, the Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus and any other prospectus relating to the Designated Securities, or any amendment or supplement thereto, the Time of Sale Information, or any Issuer Free Writing Prospectus, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any preliminary prospectus, the Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus and any other prospectus relating to the Designated Securities, or any such amendment or supplement, the Time of Sale Information, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Operating Partnership by such Underwriter through the Representatives expressly for use therein, and will reimburse the Operating Partnership or Parent Guarantor for any legal or other expenses reasonably incurred by the Operating Partnership or the Parent Guarantor in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under Section 9(a) or 9(b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under such Section 9(a) and 9(b). In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such Section for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that any indemnified party shall have the right to employ separate counsel in any such action and to participate in the defense thereof but the fees and expenses of such counsel will be at the expense of such indemnified party unless (i) the employment thereof has been specifically authorized by the indemnifying party in writing, (ii) such indemnified party shall have been advised by such counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party and in the reasonable judgment of such counsel it is advisable for such indemnified party to employ separate counsel or (iii) the indemnifying party has failed to assume the defense of such action and employ counsel reasonably satisfactory to the indemnified party, in which case, if such indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party, it

being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate counsel (plus local counsel in each such jurisdiction) at any time for all such indemnified parties. If the indemnifying party does not assume the defense of such action, it is understood that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate counsel (plus local counsel in each such jurisdiction) at any time for all such indemnified parties, which firms will be designated in writing by the Representatives, if the indemnified parties under this Section 9 consist of any Underwriter of the Designated Securities or any of its respective directors, officers, employees; controlling persons or affiliates, or by the Operating Partnership or the Parent Guarantor, if the indemnified parties under this Section 9 consist of the Operating Partnership or the Parent Guarantor or any of their respective trustees, officers or controlling persons. The indemnifying party shall not be liable for any settlement of an action or claim for monetary damages which an indemnified party may effect without the consent of the indemnifying party, which consent shall not be unreasonably withheld. No indemnifying party will, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim), unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party. For purposes of this Section 9, references to "counsel" shall include a firm of attorneys.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under Section 9(a) or 9(b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party will contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Operating Partnership and the Parent Guarantor on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 9(c) above, then each indemnifying party will contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits referred to in the immediately preceding sentence but also the relative fault of the Operating Partnership or the Parent Guarantor on the one hand and the Underwriters of the Designated Securities on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Operating Partnership, or the Parent Guarantor on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Operating Partnership or the

Parent Guarantor bear to the total commissions or discounts received by such Underwriters in respect thereof. The relative fault will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading relates to information supplied by the Operating Partnership or the Parent Guarantor on the one hand or by any such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Operating Partnership, the Parent Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 9(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9(d), no Underwriter will be required to contribute any amount in excess of the amount by which the total public offering price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this Section 9(d) to contribute are several in proportion to their respective underwriting obligations with respect to such Designated Securities and not joint.

(e) The obligations of the Operating Partnership and the Parent Guarantor under this Section 9 will be in addition to any liability which the Operating Partnership or the Parent Guarantor may otherwise have and will extend, upon the same terms and conditions, to each director, officer and employee of any Underwriter and to each person, if any, who controls any Underwriter within the meaning of the Securities Act or the Exchange Act, and to each affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 will be in addition to any liability which the respective Underwriters may otherwise have and will extend, upon the same terms and conditions, to the respective trustees, officers and employees of the Operating Partnership or the Parent Guarantor and to each person, if any, who controls the Operating Partnership or the Parent Guarantor within the meaning of the Securities Act or the Exchange Act.

10. Defaulting Underwriters. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities which it has agreed to purchase under the Pricing Agreement relating to such Designated Securities, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein. If within 36 hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Operating Partnership will be entitled to a further period of 36 hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the

event that, within the respective prescribed period, the Representatives notify the Operating Partnership that they have so arranged for the purchase of such Designated Securities, or the Operating Partnership notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Operating Partnership will have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Operating Partnership agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement will include any person substituted under this Section with like effect as if such person had originally been a party to the Pricing Agreement with respect to such Designated Securities.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Operating Partnership as provided in Section 10(a) above, the aggregate principal amount of such Designated Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Operating Partnership will have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities which such Underwriter agreed to purchase under the Pricing Agreement relating to such Designated Securities and, in addition, to require each non-defaulting Underwriter to purchase its pro-rata share (based on the principal amount of Designated Securities which such Underwriter agreed to purchase under such Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein will relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Operating Partnership as provided in Section 10(a) above, the aggregate principal amount of Designated Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities as referred to in Section 10(b) above, or if the Operating Partnership will not exercise the right described in Section 10(b) above to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then the Pricing Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Operating Partnership, except for the expenses to be borne by the Operating Partnership and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein will relieve a defaulting Underwriter from liability for its default.

11. Survival. The respective indemnities, agreements, representations, warranties and other statements of the Operating Partnership, the Parent Guarantor and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, will remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any director, officer, employee or controlling person or affiliate of any Underwriter, or the Operating Partnership or Parent Guarantor, or any trustee, officer, employee or controlling person of the Operating Partnership or Parent Guarantor, and will survive delivery of and payment for the Securities.

12. Termination. If any Pricing Agreement shall be terminated pursuant to Section 10 hereof or if any condition in Section 8(g)(i), 8(g)(iii) or 8(g)(iv) hereof is not satisfied, the Operating Partnership and the Parent Guarantor will not then be under any liability to any Underwriter with respect to the Designated Securities covered by such Pricing Agreement except as provided in Sections 7 and 9 hereof, but, if for any other reason, Designated Securities are not delivered by or on behalf of the Operating Partnership as provided herein, the Operating Partnership or the Parent Guarantor will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Operating Partnership and the Parent Guarantor will then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Sections 7 and 9 hereof.

13. Authority of Representatives. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities will act on behalf of each of such Underwriters, and the parties hereto will be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

14. Notices. All statements, requests, notices and agreements hereunder will be in writing, and if to the Underwriters will be delivered or sent by mail, telex or facsimile transmission to the address of the Representatives as set forth in the Pricing Agreement; and if to the Operating Partnership or the Parent Guarantor will be delivered or sent by mail, telex or facsimile transmission to the address of the Operating Partnership and the Parent Guarantor set forth in the Registration Statement, Attention: General Counsel; *provided, however*, that any notice to an Underwriter pursuant to Section 9(c) hereof will be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its underwriters' questionnaire, or telex constituting such questionnaire, which address will be supplied to the Operating Partnership by the Representatives upon request. Any such statements, requests, notices or agreements will take effect upon receipt thereof.

15. Nature of Underwriters' Obligations. Each of the Operating Partnership and the Parent Guarantor acknowledges and agrees that (i) the purchase and sale of the Designated Securities pursuant to this Agreement and the applicable Pricing Agreement is an arm's-length commercial transaction between the Operating Partnership and the Parent Guarantor, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction, each Underwriter is acting solely as a principal and not the agent or fiduciary of the Operating Partnership or the Parent Guarantor, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Operating Partnership or the Parent Guarantor with respect to the offering of the Designated Securities or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Operating Partnership or the Parent Guarantor on other matters) or any other obligation to the Operating Partnership or the Parent Guarantor except the obligations expressly set forth in this Agreement and the applicable Pricing Agreement and (iv) the Operating Partnership or the Parent Guarantor have consulted their own legal and financial advisors to the extent they deemed it appropriate. Each of the Operating Partnership and the Parent Guarantor agrees that it will not claim that the Underwriters, or any of them, owes an advisory, fiduciary or similar duty to the Operating Partnership or the Parent Guarantor in connection with such transaction or the process leading thereto.

16. Persons Entitled to Benefit of Agreement. This Agreement and each Pricing Agreement will be binding upon, and inure solely to the benefit of, the Underwriters, the Operating Partnership, the Parent Guarantor and, to the extent provided in Sections 9 and 11 hereof, the trustees, directors, officers and employees of the Operating Partnership, the Parent Guarantor or any Underwriter and each person who controls the Operating Partnership, the Parent Guarantor or any Underwriter or the affiliates of any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person will acquire or have any right under or by virtue of this Agreement or any such Pricing Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

17. Time of Essence. Time shall be of the essence of each Pricing Agreement. As used herein, "business day" means any day on which the New York Stock Exchange, Inc. is open for trading.

18. Governing Law. THIS AGREEMENT AND EACH PRICING AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

19. Counterparts. This Agreement and each Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts will together constitute one and the same instrument.

Ladies and Gentlemen:

Brandywine Operating Partnership, L.P., a Delaware limited partnership (the “Operating Partnership”), proposes, subject to the terms and conditions stated herein and in the Underwriting Agreement, dated December [12], 2012 (the “Underwriting Agreement”), among the Operating Partnership, Brandywine Realty Trust, a Maryland real estate investment trust and sole general partner and a limited partner of the Operating Partnership (the “Parent Guarantor”) and you, to issue and sell to the Underwriters named in Schedule I hereto (the “Underwriters”) the Securities specified in Schedule II hereto (the “Designated Securities”). **Re: Brandywine Operating Partnership, L.P.'s Public Offering of \$250,000,000 Principal Amount of its 3.950% Guaranteed Notes due 2023**

Ladies and Gentlemen:

We have acted as counsel to Brandywine Operating Partnership, L.P., a Delaware limited partnership (the "**Operating Partnership**") and Brandywine Realty Trust, a Maryland real estate investment trust (the "**Company**") and, together with the Operating Partnership, the "**Issuers**") in connection with the execution and delivery of the Underwriting Agreement dated December 12, 2012 incorporated by reference in the Pricing Agreement dated March 30, 2011 (together, the "**Underwriting Agreement**") by and among the Issuers, J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBS Securities Inc. and the other several

underwriters named in Schedule I thereto (collectively, the “**Underwriters**”), and the filing by the Issuers with the United States Securities and Exchange Commission (the “**Commission**”) pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), of the Registration Statement on Form S-3 No. 333-174700 (the “**Registration Statement**”), the prospectus dated June 3, 2011 that is a part of the Registration Statement (together with the Incorporated Documents, the “**Base Prospectus**”), the preliminary prospectus supplement filed with the Commission on December 12, 2012 (the “**Preliminary Prospectus Supplement**” and, together with the Base Prospectus, the “**Preliminary Prospectus**”) and the prospectus supplement filed by the Issuers with the Commission on December 13, 2012 (the “**Prospectus Supplement**” and, together with the Base Prospectus, the “**Prospectus**”) and the Time of Sale Information (consisting of the Preliminary Prospectus and the issuer free writing prospectus identified on Schedule I to this opinion (the “**Issuer Free Writing Prospectus**”)) relating to the sale by the Operating Partnership of \$250,000,000 principal amount of its 3.950% Guaranteed Notes due 2023 (the “**Designated Securities**”) and the issuance of the unconditional guarantee thereof by the Company (the “**Guarantee**”).

This opinion is delivered to you pursuant to Section 8(c) of the Underwriting Agreement. Capitalized terms used herein but not otherwise defined herein have the meanings ascribed to them in the Underwriting Agreement.

In connection with this opinion, we have examined the Underwriting Agreement, the Indenture, dated as of October 22, 2004, as supplemented by the First Supplemental Indenture, dated as of May 25, 2005, the Officer’s Certificate dated December 22, 2005 relating to the First Supplemental Indenture, the Second Supplemental Indenture, dated as of October 4, 2006 and the Third Supplemental Indenture dated as of April 5, 2011 (as so amended and/or supplemented, the “**Indenture**”), by and among the Issuers and The Bank of New York Mellon, as Trustee, the Registration Statement, the Base Prospectus, the Preliminary Prospectus, the Prospectus, the global note representing the Designated Securities, the Time of Sale Information, originals, or copies reproduced or certified to our satisfaction, of such trust, corporate, limited liability and partnership organizational documents, agreements, records and other documents of the Issuers and the Significant Subsidiaries (as defined below), the instruments and documents delivered upon the consummation of the closing of the transactions contemplated by the Underwriting Agreement, and such other documents, records and instruments as we have deemed necessary to form the basis for the opinions hereinafter expressed. We have also made such examination of laws, of certificates of public officials and of certificates of officers of the Issuers and the

Significant Subsidiaries, and investigations of fact, as we have deemed necessary to enable us to render this opinion. As to matters of fact relevant to the opinions herein expressed, we have assumed the accuracy and completeness of, and have relied solely upon, the representations and warranties of the Issuers contained in the Underwriting Agreement, certificates of officers of the Issuers and the Significant Subsidiaries and certificates of public officials.

Where matters are stated to be “to our knowledge”, “to our knowledge after due inquiry” or otherwise known to us or words of similar import, our knowledge is limited to (i) the actual knowledge of those attorneys in our firm who have participated in the transactions contemplated by the Underwriting Agreement or have represented the Company or the Operating Partnership in other matters, (ii) the review of documents provided to us by the Issuers in connection with the transactions contemplated by the Underwriting Agreement, and (iii) inquiries of officers of the Issuers and the Significant Subsidiaries. We have not independently verified the accuracy of the matters set forth in the written statements or certificates upon which we have relied, nor have we undertaken any lien, intellectual property, suit or judgment searches or searches of court dockets in any jurisdiction.

In rendering this opinion letter, we have assumed: (i) the due execution and delivery, pursuant to due authorization, of the Underwriting Agreement by the Underwriters; (ii) the genuineness of the signatures of, and the authority of, persons signing the Underwriting Agreement on behalf of the Underwriters; (iii) the genuineness of the signatures of, and the authority of, persons signing the Indenture on behalf of the Trustee; (iv) the genuineness of all signatures and the authenticity and completeness of all records, certificates, instruments and documents submitted to us as originals; and (v) the conformity to authentic originals of all records, certificates, instruments and documents submitted to us as certified, conformed, photostatic or facsimile copies thereof.

No opinion is rendered as to matters not specifically referred to herein and under no circumstances are you to infer from anything stated or not stated herein any opinion with respect to which such reference is not made.

In rendering this opinion letter, we further have assumed that the consideration required to be paid for the issuance of (i) the Designated Securities pursuant to resolutions of the Board of Trustees of the Company, in its capacity as the general partner of the Operating Partnership, authorizing the issuance of those securities has, in fact, been paid to and received by the Operating Partnership, and (ii) all of the outstanding units of limited and general partnership interests of the Operating Partnership and all of the shares of stock, beneficial interests and partnership interests of the Company and each of the Significant Subsidiaries have, in fact, been paid to and received by the Operating Partnership, the Company and the Significant Subsidiaries, as applicable.

This opinion is limited solely to matters governed by the laws of the State of Delaware, the State of Maryland, the State of New York, the Commonwealth of Pennsylvania and the federal laws of the United States, without regard to conflict or choice of law principles, and the references herein to laws, statutes and regulations shall be interpreted consistent with such limitation; provided, however, that this opinion does not address local or foreign statutes, laws, rules or regulations, or state “blue sky” or similar securities laws, rules or regulations of any jurisdiction.

Based upon and subject to the foregoing and the qualifications and limitations set forth below, we are of the opinion that:

1. The Operating Partnership has been duly formed and is validly existing as a limited partnership in good standing under the laws of the State of Delaware, with limited partnership power and authority to own its properties and conduct its business as described in the Time of Sale Information and the Prospectus.
2. The Company has been duly formed and is validly existing as a real estate investment trust in good standing under the laws of the State of Maryland, with trust power and authority to own its properties and conduct its business as described in the Time of Sale Information and the Prospectus.
3. Each of the subsidiaries of the Operating Partnership and the Company set forth on Schedule II hereto, which constitute the “significant subsidiaries” (as defined in Rule 405 under the Securities Act) of the Company in addition to the Operating Partnership (collectively, the “**Significant Subsidiaries**”), has been duly incorporated, formed or organized and is validly existing as a corporation or other entity in good standing under the laws of its jurisdiction of incorporation, formation or organization, with corporate, trust, limited liability company or partnership power and authority to own its properties and conduct its business as described in the Time of Sale Information and the Prospectus; and all of the issued shares of capital stock, limited liability company, partnership or beneficial interests of each of the Significant Subsidiaries have been duly and validly authorized and issued, are fully paid and, as applicable, non-assessable.
4. All of the issued partnership interests of the Operating Partnership have been duly and validly authorized and issued and are fully paid; all of the issued beneficial

interests of the Company have been duly and validly authorized and issued and are fully paid; and the Company is the sole general partner of the Operating Partnership and its percentage interest and ownership in the Operating Partnership is as set forth in the Time of Sale Information and the Prospectus as of the dates indicated therein.

5. The Operating Partnership has been duly qualified or registered as a foreign partnership for the transaction of business and is in good standing or subsisting under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business so as to require such qualification or registration, except where the failure to so qualify or register or be in good standing or subsisting could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect; the Company has been duly qualified or registered as a foreign trust for the transaction of business and is in good standing or subsisting under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification or registration, except where the failure to so qualify or register or be in good standing or subsisting could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect; and each of the Significant Subsidiaries has been duly qualified or registered as a foreign corporation or other entity for the transaction of business and is in good standing or subsisting under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification or registration, except where the failure to so qualify or register or be in good standing or subsisting could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

6. To our knowledge and except as set forth in the Time of Sale Information and the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) is a party, or of which any property of the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) is the subject, which are required, individually or in the aggregate, to be disclosed in the Registration Statement, the Time of Sale Information or the Prospectus which are not fairly described therein as required; and, to our knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

7. To our knowledge, there are no amendments to the Registration Statement required to be filed or any contracts or other documents of a character required to be filed as an exhibit to the Registration Statement or required to be incorporated by reference into the Registration Statement, the Preliminary Prospectus or the Prospectus or required to be described in the Registration Statement, the Preliminary Prospectus or the Prospectus that are not filed or incorporated by reference or described as required.

8. The Underwriting Agreement has been duly authorized, executed and delivered by the Operating Partnership and the Company.

9. The Indenture has been duly authorized, executed and delivered by the Operating Partnership and the Company and constitutes a valid and legally binding instrument, enforceable against the Operating Partnership and the Company in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization, receivership, moratorium or other laws (including, without limitation, the effect of statutory and other laws regarding fraudulent conveyances, fraudulent transfers and preferential matters) and as may be limited by the exercise of judicial discretion and application of principles of equity, including, without limitation, requirements of good faith, fair dealing, conscionability and materiality (regardless of whether the enforceability of the Indenture is considered in a proceeding at law or equity); and the Indenture has been duly qualified under the Trust Indenture Act.

10. The Designated Securities have been duly authorized, executed, authenticated, issued and delivered and constitute valid and legally binding obligations of the Operating Partnership entitled to the benefits provided by the Indenture and are enforceable against the Operating Partnership in accordance with the terms of the Designated Securities, subject, as to enforcement, to bankruptcy, insolvency, reorganization, receivership, moratorium or other laws (including, without limitation, the effect of statutory and other laws regarding fraudulent conveyances, fraudulent transfers and preferential matters) and as may be limited by the exercise of judicial discretion and application of principles of equity, including, without limitation, requirements of good faith, fair dealing, conscionability and materiality (regardless of whether the enforceability of the Designated Securities is considered in a proceeding at law or equity).

11. The Guarantee has been duly authorized, executed, authenticated, issued and delivered and constitutes a valid and legally binding obligation of the Company and is enforceable against the Company in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization, receivership, moratorium or other laws (including, without limitation, the effect of statutory and other laws regarding fraudulent conveyances, fraudulent transfers and preferential matters) and as may be limited by the exercise of judicial discretion and application of principles of equity, including, without limitation, requirements of good faith, fair dealing, conscionability and materiality (regardless of whether the enforceability of the Guarantee is considered in a proceeding at law or equity).

12. The Designated Securities, the Guarantee and the Indenture conform in all material respects to the descriptions thereof in the Time of Sale Information and the Prospectus as amended or supplemented.

13. The issuance and sale of the Designated Securities, the issuance of the Guarantee, the compliance by the Operating Partnership and the Company with all of the provisions of the Designated Securities, the Guarantee, the Indenture and the Underwriting Agreement, and the consummation of the transactions therein contemplated, do not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under the debt agreements identified on Schedule III hereto; or any other indenture, mortgage, deed of trust, loan agreement or other agreement or instrument known to us to which the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) is a party or by which the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) is bound or to which any of the property or assets of the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) is subject, nor do such actions result in any violation of the provisions of the declaration of trust or the by-laws of the Company or the certificate of limited partnership or partnership agreement of the Operating Partnership, or any law or statute or any order, rule or regulation known to us of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries (including, without limitation, the Operating Partnership) or any of their properties.

14. No consent, approval, authorization, order, registration or qualification of or with any court or governmental agency or body is required for the issuance and sale of the Designated Securities, the issuance of the Guarantee, or the consummation by the Operating Partnership and the Company of the other transactions contemplated by the Underwriting Agreement or the Indenture, except as have been obtained under the Securities Act or the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters.

15. The Registration Statement, the Preliminary Prospectus, the Issuer Free Writing Prospectus and the Prospectus (in each case other than the financial statements and related notes and schedules and other financial data therein, as to which we express no opinion) comply as to form in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations thereunder.

16. The Incorporated Documents (other than the financial statements and related notes and schedules and other financial data therein, as to which we express no opinion), when they were filed with the Commission or became effective, as the case may be, complied as to form in all material respects with the requirements of the Securities Exchange Act of 1934, as amended, or the Securities Act, as applicable, and the rules and regulations of the Commission thereunder. We identify on Schedule IV to this opinion the documents incorporated by reference in the Registration Statement.

17. The statements made under the caption “Material United States Federal Income Tax Consequences” in the Time of Sale Information and the Prospectus, insofar as they purport to constitute summaries of matters of U.S. federal tax law and regulations or legal conclusions with respect thereto, constitute accurate summaries of the matters described therein in all material respects.

18. Commencing with its taxable year ended December 31, 1986, the Company has, since the effective date of its REIT election, been organized and operated in a manner so as to qualify for taxation as a REIT under the Internal Revenue Code of 1986, as amended, and the Company’s proposed method of operation will enable it to continue to qualify for taxation as a REIT.

19. The Registration Statement has become effective under the Securities Act; the Preliminary Prospectus, and the Prospectus relating to the Designated Securities and the Guarantee was filed with the Commission within the prescribed time periods pursuant to Rule 424(b) of the rules and regulations under the Securities Act; the Issuer Free Writing Prospectus was filed with the Commission within the prescribed time period pursuant to Rule 433 under the Securities Act; and to our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued or proceeding for that purpose or pursuant to Section 8A of the Securities Act has been instituted or threatened by the Commission.

20. Neither the Operating Partnership nor the Company is, or immediately after giving effect to the issuance and sale of the Designated Securities and the Guarantee and the application of the net proceeds therefrom as described in the Time of Sale Information and the Prospectus will be, an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

We advise you that because the primary purpose of our engagement was not to establish or confirm factual matters or financial or accounting matters, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Time of Sale Information or the Prospectus or any amendments thereto (other than to the extent expressly set forth under paragraphs 12, 15 and 17 above). Without limiting the foregoing, we assume no responsibility for and have not independently verified the accuracy, completeness or fairness of the financial statements and related notes and schedules and other financial data included in the Registration Statement, the Time of Sale Information or Prospectus or any amendments thereto and have not examined the accounting or financial records from which such financial statements, notes, schedules (if any) and relevant data are derived. In connection with our engagement, we have participated in conferences with officers and other representatives of the Operating Partnership and the Company, representatives of the registered independent public accounting firm of the Operating Partnership and the Company, you and your counsel and representatives of the Underwriters at which the contents of the Registration Statement, the Time of Sale Information, the Prospectus and any amendments thereto were discussed.

Based upon such participation and discussions, and relying upon our judgment as to materiality based upon the factual statements of officers and other representatives of the Operating Partnership and the Company, we have no reason to believe that, (A) as of its applicable effective dates, the Registration Statement (other than the financial statements and related notes and schedules and other financial data therein, as to which we express no opinion) contained an untrue statement of material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) as of the Time of Sale (which we assume to be immediately prior to the time that the first sale of Designated Securities was made in accordance with the Pricing Agreement), the Time of Sale Information (other than the financial statements and related notes and schedules and other financial data therein, as to which we express no opinion) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (C) as of its respective date and as of the date hereof, the Preliminary Prospectus and the Prospectus (other than the financial statements and related notes and schedules and other financial data therein, as to which we express no opinion) contained or contains an untrue statement of a material fact or omitted or omits to state a material fact

necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or (D) as of the time they were filed with the Commission or became effective, as the case may be, any of the Incorporated Documents, when they were so filed or became effective, as the case may be, contained an untrue statement of material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

We express no opinion and make no statement as to whether the Time of Sale Information or any other disclosure or information has been adequately conveyed to purchasers of Designated Securities prior to or at the Time of Sale to such purchasers.

In addition, the opinions as to enforceability expressed in paragraphs 9, 10 and 11 above are understood to mean only that (A) if there is a default in performance of an obligation, (B) if a failure to pay or other damages can be shown and (C) if the defaulting party can be brought into a court which will hear the case and apply the governing law, then, subject to the availability of defenses and to the exceptions set forth in paragraphs 9, 10 and 11 above, the court will provide a money damage (or, as appropriate, injunctive or specific performance) remedy.

We express no opinion as to the enforceability of any provision of the Indenture, the Designated Securities or the Guarantee that purports to (x) preclude modification of the Indenture, the Designated Securities or the Guarantee through conduct, custom or course of performance, action or dealing or (y) exculpate, release or indemnify any party from damages, liabilities, expenses and/or other amounts arising from its own negligence or misconduct, or where such exculpation, release or indemnification is contrary to public policy.

The opinions expressed in paragraphs 17 and 18 above are based on the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations thereunder (including proposed and temporary Treasury regulations) and interpretations of the foregoing as expressed in court decisions, legislative history and administrative determinations of the Internal Revenue Service (the "IRS") (including its practices and policies in issuing private letter rulings, which are not binding on the IRS, except with respect to a taxpayer that receives such a ruling), all as of the date hereof. This opinion represents our best legal judgment with respect to the probable outcome on the merits and is not binding on the IRS or the courts. There can be no assurance that positions contrary to our opinion will not be taken by the IRS, or that a court considering the issues would not reach a conclusion contrary to such opinions. No assurance can be given that future legislative, judicial or administrative changes, on either a prospective or retroactive basis, would not adversely affect the opinions expressed herein.

In rendering the opinions expressed in paragraphs 17 and 18, we have relied upon written representations as to factual matters of the Company and the Operating Partnership contained in a letter to us dated the date hereof regarding their consolidated assets, operations and activities (the "Management Representation Letter"). We have not made an independent investigation or audit of the facts set forth in the Management Representation Letter or in any other document. We consequently have relied upon the accuracy of the representations as to factual matters in the Management Representation Letter. We have assumed that all representations made in the Management Representation Letter (and other factual information provided to us) are true, correct and complete and will continue to be true, correct and complete, and any representation or statement made in the Management Representation Letter "to the best of knowledge," "to the knowledge" or "to the actual knowledge" of any person(s) or party(ies) or similarly qualified is true, correct and complete as if made without such qualification. After inquiry, we are not aware of any facts or circumstances contrary to, or inconsistent with, the representations that we have relied upon or the other assumptions set forth herein. Our opinions expressed in paragraphs 17 and 18 are limited to the tax matters specifically covered herein, and we have not addressed, nor have we been asked to address, any other tax matters relevant to the Company, the Operating Partnership or any other person.

This opinion is given as of the date hereof and is based on laws and regulations as they exist and are construed as of the date hereof. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may come to our attention after the date hereof, or any changes in laws or regulations that may occur after the date hereof. The Company's qualification for taxation as a REIT depends upon the Company's ability to meet, on a continuing basis, through actual annual operating and other results, the requirements of the Code, including the requirements with regard to the sources of its gross income, the composition of its assets, the level of its distributions to shareholders and the diversity of its share ownership. We will not review the Company's compliance with these requirements on a continuing basis. Accordingly, no assurance can be given that the actual results of the Company's operations, the sources of its income, the nature of its assets, the level of its distributions to shareholders and the diversity of its share ownership for any given taxable year will satisfy the requirements under the Code for qualification and taxation as a REIT.

This opinion is rendered only to the addressees set forth above and is solely for the benefit of such addressees and may not be quoted to or relied upon by any other person or entity without the express written prior consent of a partner of this firm. Notwithstanding the foregoing, Simpson Thacher & Bartlett LLP, counsel to the Underwriters, may rely on this opinion for the sole purpose of rendering its legal opinion to the Underwriters pursuant to the Underwriting Agreement.

Very truly yours,

PEPPER HAMILTON LLP

The foregoing opinions are limited to the substantive laws of the State of Delaware and the State of Maryland, and we do not express any opinion herein concerning any other law. We express no opinion as to compliance with any federal or state securities laws, including the securities laws of the State of Delaware and the State of Maryland, or as to federal or state laws regarding fraudulent transfers. We assume no obligation to supplement this opinion letter if any applicable law changes after the date hereof or if we become aware of any fact that might change the opinion expressed herein after the date hereof.

This opinion letter is being furnished to you for your submission to the Commission as an exhibit to the reports filed on Form 8-K (the "**Form 8-K Reports**") to be filed by the Operating Partnership and by the Company with the Commission on or about the date hereof.
